I can summarize what Andy Duchovnay has forwarded from the DE Attorney General if that's ok. That is currently all the info I am aware of. I can prep that tomorrow a.m.

Amy, do you have a current brief on Mountaire that you can share with Tom Damm for Dom's meeting this Friday?

Subject: Hot issues for the Rehoboth, Delaware area

All,
Dom will be speaking at an ocean outfall ribbon cutting ceremony this Friday in Rehoboth Beach.
If you aware of any hot issues that could be raised by media, U.S. Sen. Carper or state officials attending the event, please advise.
An updated paper on Mountaire would be helpful.
Thanks.
Tom
